

## TECHNICAL DATA SHEET

		
		

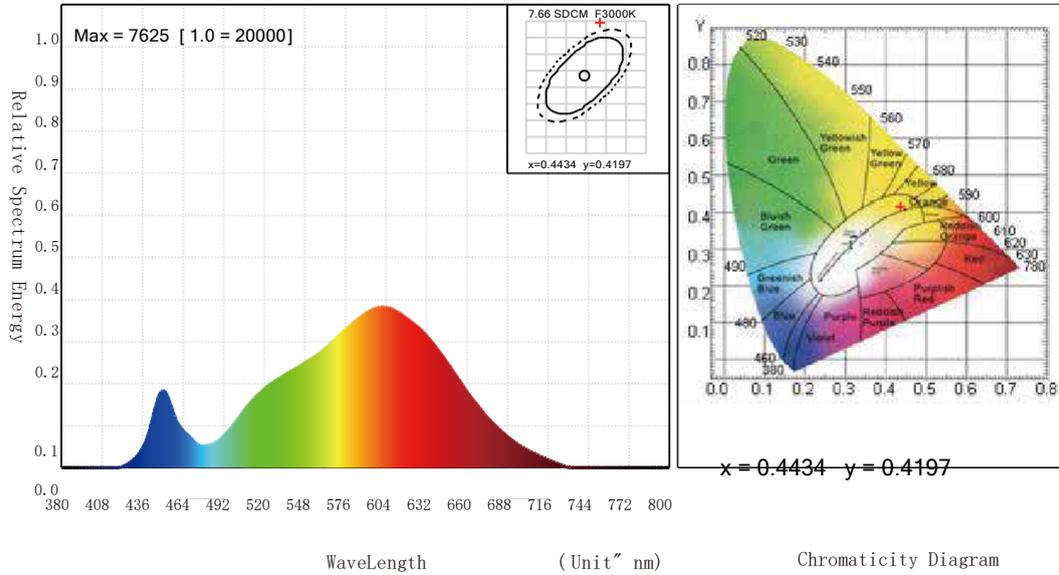

### Specification

9W

Product Code	AL-ILL-9W
Power (W)	9
Colour Temperature	3000K/4000K/6000K
Lumen (Lm)	630-765
Input Voltage[V]	200-240VAC
Output Voltage[V]	24VDC
Power Factor	> 0.9
Beam angle	25°40°60°
CRI	≥80
Type Of LED	CREE XBD/XPG
Lifespan (Hrs)	≥50000Hrs
Efficiency[lm/W]	70-85lm/W
Dimensions[mm]	Dia204*H46.5
IP	67
Operating Temperature Range	-20°C to 45°C
Warranty	5years

**LED ILLUSTRO UPLIGHT**

Auraled's ILLUSTRO LED is a 316L stainless steel IP67 LED fitting with unique and novel induction power supply solution. The fitting is equipped with inductive plug driver located in the base of the fitting which transmit electricity without need of any wiring to LED fitting, which allows the IP integrity of the connections to be kept at all times.
